

JOB OPENING

Travelling Event Bicycle Mechanic (X3) - North American based

We are looking for Bicycle Mechanics that can travel and work on high-end road and triathlon bicycles. Our immediate need is for a mechanic that can work later this month in Kona, Hawaii from September 29th to October 10th and in St. George, Utah from October 24th to October 31st.

In 2023 we will be looking to have three mechanics with each covering events within a North American region: Eastern Region, Central Region and Western Region. If you are dynamic, passionate, love to travel & enjoy the excitement of sporting events and being part of a greater delivery team, Nirvana Sports Travel wants to hear from you!

The Role:

Travelling Event Bicycle Mechanic (three)

Job Status:

- Based within one of three Regions in North America (East, Central, or West)
- Frequent Regional, occasional international travel
- Weekend work required

Full job description:

We are looking for Regional Event Bicycle Mechanics to be part of the Delivery Team and help provide the Nirvana Sports Travel experience (premium services) that support the athlete on every step of the way in their sporting journey.

The Regional Event Bicycle Mechanic will be Based within one of three Regions in North America (East, Central, or West) and will travel within their region to Nirvana Sports Travel host hotels to become part of the onsite Delivery Team.

The Regional Event Bicycle Mechanic works directly with athletes to identify services needed to provide solutions quickly. The main service to provide is to check/adjust brakes, gears, bolts, and bearings, true wheels, de-grease/re-lube drivetrain, and check safety of tire. Some bikes will need to be built from a travel box and re-boxed after the event. Many of these bicycles will come with hydraulic disc brakes and electronic shifting mechanisms. It is understood the mechanic must have the knowledge of the latest in cycling technology.

There will be occasions when a Repair will be required, and parts will need to be sourced. In these occasions the mechanic must be able to communicate with a supplier to source the part.

Being part of the Delivery Team may require you to provide further services within the Nirvana Sports Travel experience including but not limited to shuttling athletes and providing bike course tours using up to a 15-seater van and trailer.

The Event Mechanic will be staying at Nirvana Sports Travel host hotel and will have meals and travel costs covered.

Email your CV to Go@milestation.com to apply for one of the three roles.
